Supreme Council Representatives

Section 4 of the Charter, Constitution and Laws of the Knights of Columbus states in part, that "The Supreme Council shall be composed of the following members, all of whom must be in good standing:"

"The State Deputy and the last living Past State Deputy of each State Council who is actually residing in the state or Jurisdiction."

"One representative from each State Council for the first two thousand insurance members, and one representative for the first two thousand associate members, and one representative for each additional two thousand insurance members or major part thereof and one representative for each additional two thousand associate members or major part thereof represented in said State Council as shall appear from the records of the Supreme Secretary. However, any state council having an insurance membership of more than 50% of its total membership will be given credit for any excess insurance members over the minimum number necessary to achieve its last insurance delegate. This excess amount of insurance membership will then be applied toward an additional associate member delegate pursuant to the requirements of this section. But no State Council shall be entitled to more than eight elected representatives to the Supreme Council."

Refer to Section 4(b) and (c) of the Charter, Constitution and Laws for assistance in determining the election of Alternates and the filling of vacancies created when an elected representative can not attend the Supreme Council Meeting.
