

"SOMETHING MORE"

There are many organizations for young people that offer athletic, social or even service-related opportunities. There is one organization, however, that offers "Something More." The Columbian Squires, the official youth organization of the Knights of Columbus, provides a strong emphasis on both spiritual and leadership development. This is what sets the Columbian Squires program apart from other youth organization.

A viewing of "Something More" will excite any group of young Catholic men about the great activities Squires sponsor and about the chance to join. This video should also be seen by every Knights of Columbus council and assembly to encourage their sponsorship of a Columbian Squires circle.

Contact your state squires chairman to arrange for a showing or order a copy of the video, for your circle to keep, directly from the Supreme Council Office Department of Fraternal Services by mailing the form printed below.

Delivery of the video for a scheduled showing date can be guaranteed only if the order is received at least 4 weeks in advance.
