

2017-2018 OUTSTANDING COLLEGE COUNCIL AWARD APPLICATION

DUE: SATURDAY, JUNE 30, 2018

APPLICATION INSTRUCTIONS

The Supreme Council considers all relevant information about your council, your school, and the projects and activities you have conducted in selecting the Outstanding College Council (OCC) winner. We weigh the engagement of your council, your membership intake, contributions to Catholic life on campus, involvement with the local community, new innovations and strategies for council management, and many other factors. We want to award the council that was truly outstanding all year long.

In addition to the Outstanding College Council Award, this award application determines the award winners of the best college council programs/events from the six Surge with Service categories. These categories are: Church, Community, Council, Family, Youth and Culture of Life. Your council should apply even if you don't have any activities in a specific category (i.e. you have no family or youth activities). We weigh many other factors in the OCC contest and you will still be eligible for awards in other categories.

In completing this application, be thorough and descriptive in your answers so that we can best understand your programs and events. Focus on originality and creativity and highlight your council's innovations from this past fraternal year. You may also submit photos of council activities, promotional flyers from events, and other supporting documentation with your application.

After completing the application, please sign the last page to certify the authenticity of your council's application. Submit your completed application and all supporting materials by email to college@kofc.org. In the subject line of the email, please include the words "Outstanding College Council Application," your council number and the name of your college or university. Please include any photos as attachments. Remember, **applications are due on Saturday, June 30, 2018.**

All award winners will be announced at the 53rd annual College Councils Conference to be held in New Haven, Conn., the weekend of September 28 – 30. You can find more information about the conference and register to attend by visiting kofc.org/collegeconference. The outstanding college council will receive a trophy to take back to campus, their name on the permanent outstanding college council award housed at the Knights of Columbus Museum, \$500 for the council treasury, and international exposure through kofc.org and affiliated publications.

In addition to this award application, your council should complete, to the best of its ability, the Columbian Award application (#SP7), which can be found below:
