Pope Francis Receives Supreme Knight in Private Audience

Pope Francis recently received Supreme Knight Carl Anderson in an audience during a visit by the Order's leader to Rome. During the conversation the pope and the supreme knight discussed the Order's charitable initiatives and the good works done by Knights throughout the world.

K of C Insurance Earns Top Recognition While Passing Major Milestone

For the 38th consecutive year the Knights of Columbus insurance program has earned the highest financial strength rating, A++ (Superior), from A.M. Best, a global leader in the rating and analysis of insurance companies. Additionally, a major milestone was passed when the total life insurance in force exceeded \$90 billion, with more than \$19.8 billion in assets under management.

“Earning A.M. Best’s top rating again this year underscores the strength of our sustainable business model, despite the slow recovery and continued economic uncertainty,” said Supreme Knight Carl Anderson. “We have continued to outpace the industry, reflecting a growing flight to quality.”

He added: “A.M. Best’s top rating for almost four decades is a testament to our commitment to our mission of protecting Catholic families, our excellent sales force made up exclusively of members of the Knights of Columbus, and the fact that we view our members as part of our family.”

Fraternal Survey Numbers Reach New Records

Once again the numbers stand to testify the amount of good a united effort by Knights of Columbus can achieve worldwide. The results of this year’s Annual Survey of Fraternal Activity show how Knights across the world have worked together to change lives in positive ways, setting an all-time record for charitable donations and

Plan how your council will participate in the International World Day of Prayer for Peace on Sept. 11.

Make sure your council is on the path to earning the Star Council Award.

World Day of Prayer for Peace

Sept. 11 marks the anniversary of the terrorist attacks on the United States. In observing the Knights of Columbus World Day of Prayer for Peace on that anniversary, we recall the tragic events and honor the thousands who lost their lives. We also pray for peace among nations, especially in those places where war or turmoil persist. All Knights of Columbus leaders are urged to begin planning for this event now and to hold an appropriate prayer service in a church or public place, such as at a war memorial, municipal park, or on the grounds of the town or city hall. To assist your council in its participation in this event, the Supreme Council offers a Day of Prayer poster (#9483) and prayer card (#9484). For more information please visit kofc.org/prayerforpeace.

Communication is Key to Earning a Star Council Award

Supreme Council staff is here to assist you by offering resources to help with your priorities and to keep you informed about new developments that affect all

members and councils. That's why reporting your council leadership's contact information is required for earning the Star Council Award. We are still accepting the Report of Officers Chosen for the Term (#185, due July 1) and the Service Program Personnel Report (#365, due August 1). These reports are necessary to earn the Star Council Award. You can submit these reports via mail or online at kofc.org/forms. Please call (203) 752-4401 with questions. You may also connect with your district deputy, who is happy to help, and take this opportunity to lay the foundation for a relationship that will be important throughout the year.

Knights of Columbus Disburse Additional \$170,000 to Assist in West, Texas

In early July, the Knights of Columbus distributed an additional \$170,000 for relief efforts to assist families in the community of West, Texas. This donation is a follow-up to the \$10,000 originally given in the immediate wake of the April 17 fertilizer plant explosion that killed 15 people, injured 160 and damaged or destroyed 150 local buildings. The funds, raised from donations by Knights

and other individuals, were distributed to assist students at the town's Catholic school, to help repair damage to the West Independent School District's facilities, to transport students to temporary campuses and to purchase mattresses for 100 affected families

"Our thoughts and prayers continue to be with those who lost so much in this tragedy," said Supreme Knight Carl Anderson. "It is heartening that in the face of this tragedy, so many good people stepped forward to help their neighbors in need, and we are grateful to the support of our Knights and all those who donated their time or money to help the people of West rebuild their lives."

Soccer Challenge

The K of C Soccer Challenge has kids testing their skills at the most basic soccer maneuver: the penalty kick. This program is fun and easy to conduct: all you need is a regulation 8'x24' soccer goal and the Soccer Challenge Program Kit—(#SC-KIT), which can accommodate 75 participants. Look to partner with your council's Soccer Challenge chairman (if you have one) and your district deputy to make it happen. For more information and to order the Soccer Challenge Program Kit visit kofc.org/forms or call 203-752-4016.

Judge Rules to Let Jesus Statue Remain

Thanks to a successful defense by the Becket Fund for Religious Liberty on behalf of the Knights of Columbus and several individuals, the District Court of Montana dismissed a lawsuit filed by the Freedom from Religion foundation that had petitioned the removal of a Jesus statue erected on Big Mountain. The June 24 ruling allows the 6-foottall statue — which was installed by the Knights of Columbus in 1954 to honor soldiers who gave their lives in World War II — to remain at its current location.

MEMBERSHIP IN THE KNIGHTS OF COLUMBUS is open to men 18 years of age or older who are practical (that is, practicing) Catholics in union with the Holy See. This means that an applicant or member accepts the teaching authority of the Catholic Church on matters of faith and morals, aspires to live in accord with the precepts of the Catholic Church, and is in good standing in the Catholic Church.

K of C Pilgrimage to the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C., celebrating the Year of Faith and the 50th anniversary of the Knights Tower Carillon, will be held on Sept. 8, 2013. The Knights of Columbus funded the construction of the shrine's campanile (bell tower) of the Basilica of the National Shrine of the Immaculate Conception, which was dedicated Nov. 20, 1959. In 1962, the K of C made an additional gift to the National Shrine for the purchase of

its carillon of 56 bells. On the day of the dedication (Sept. 8, 1963), Archbishop Patrick O'Boyle expressed his gratitude: "To the members of the Knights of Columbus, in the name of the bishops of the country, I say we are deeply grateful for this wonderful gift. Long after we are gone, this tower and these bells will be paying honor to God and to his Mother."

Shrine Prepares for Blessed John Paul II's Canonization

The Knights of Columbus-established Blessed John Paul II Shrine in Washington, D.C., will see an increase in scheduled activities as a result of the Vatican's July 5 announcement of the approval of a miracle through Blessed John Paul II's intercession. Once the timing for the canonization is finalized, the Shrine will announce a series of events leading up to and surrounding the canonization date. Some events will be devotional in nature, while others will be educational — highlighting the pope's life and legacy. For more information visit jp2shrine.org.

These numbers are impressive, but tell only a part of our story. A total of 79.3 percent of all K of C units responded to the 2012 Annual Survey of Fraternal Activity. Imagine what our numbers would look like if we had a 100 percent response.

\$90 Billion Strong

If you follow our website (www.kofc.org), you have recently seen the news that the Order surpassed \$90 billion of insurance in force. When our Supreme Knight, Carl Anderson, took office, that number was \$40 billion—which makes the achievement all the more remarkable.

Insurance operations are lovers of numbers. In fact, given enough time, I can put a room full of people to sleep with percentages and net gains and pie charts. With PowerPoint presentations, we can even make the numbers spin and grow, as well as add color and cool font styles. In the end, chances are you'll still be drowsy.

So why would I dedicate a column to a number? Because this number is so critical to understanding the mission of the Knights of Columbus and the vision of Father Michael J. McGivney.

On March 29, 1882, the amount of insurance in force was zero. The movement up from zero was really the dream of Father McGivney, with every dollar collected as protection against a family's disaster seen as progress. He was determined that no widow would be left in despair.

As the Order began to grow, and the insurance program grew with it, so did the amount of coverage in force. It was June of 1961—79 years after the founding—before the \$1 billion in force mark was achieved. Think about that: 79 years to reach \$1 billion, and just over a decade to go from \$40 billion to \$90 billion. Why? What changed?

Well, certainly our membership grew, and the awareness of the membership grew as well. But there is more to this story.

It has become clear to our members that our products are not just good, but that they

are among the best in the industry. We have more agents today than ever in our history, and they are better trained and better prepared to serve you than ever. The construction of a program that is “by brother Knights, for brother Knights” brings with it a sense of genuine concern and protection that you just can't get anywhere else. And a customer service focus that allows our clients to get answers to their questions from their agent or a qualified customer service representative here in New Haven – but always from a real live person. That's the kind of business model and commitment that results in the tremendous growth we have had. That's the kind of record that Father McGivney would be proud of. It is \$90 billion of real money, ready to be delivered at the time a family needs it the most.

So it's a quick pause to celebrate \$90 billion ... and then it's on to 100!
