COLLEGE COUNCIL SUPPLIES

The materials below are specifically for use by college councils. Non-college councils should not order college related supply materials. If a parish council or fraternal leader would like to acquire college related materials to use in the development of a college council, he should first contact the College Councils Department at 203-800-4807 or college@kofc.org. After an initial conversation, the appropriate materials will be arranged by the College Councils Department.

College councils can receive the below items and other basic fraternal supplies for free from the Supreme Council. In order to take advantage of this benefit, college council grand knights and financial secretaries should submit completed Requisition (Form #1) forms to college@kofc.org for processing. Please note that college councils still pay shipping on all supply orders.

50044	E	A DAY OF REMEMBRANCE: "ONE NATION UNDER GOD" — 13 minutes. Passing beneath a huge American flag on September 11, 2002, more than 1,000 members of the Fourth Degree Color Corp from across the United States and Canada, processed into the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. to begin a "Day of Remembrance" of the terrorist attacks of September 11, 2001, and to make a strong statement in favor of keeping the words "Under God" in the Pledge of Allegiance.
50046	E	EVERYONE HAS A VOCATION TO LOVE, WHAT'S YOURS — Single DVD with five vocations films. How are you personally called to live God's love? What is the vocation he has created for your happiness? This award-winning documentary series explores the enduring witness of Catholic men and women responding to God's call to love. The Vocation to the Laity — shows how charity, the first principle of the Order, serves as the basis for the lay vocation. The Vocation to Marriage — Aimed at young couples and those contemplating marriage, this film can be shown as part of a marriage preparation program or for those who are already married. The Vocation to the Priesthood — for men contemplating a call to the priesthood, this film studies the lives and thoughts of priests to inspire young men today. The Vocation to Religious Life for Women — hear the heartfelt stories of women who have answered God's call and learn what it means to serve the Lord as a religious sister. The Vocation to Religious Life for Men — listen to the stories of men who are following God as religious brothers, offering their lives in service to the Church and Her people.
50047	F	GRAND KNIGHT TRAINING SEMINAR (FRENCH) — 45 minutes. The grand knight is the highest ranking elected officer of his council. When he is successful in completing the duties of his office, his council will move forward and thrive. To assist in implementing their

		duties and adding an important page to the history of the Order, the Supreme Council is proud to make available this comprehensive training module. It was created to provide uniformity to the training message that our council leaders receive.
50048	E	LEADERSHIP/FRATERNAL TRAINING VIDEOS — A two disk set containing Fraternal Training videos that cover a range of topics including training for district deputies, grand knights and financial secretaries. Membership recruitment is discussed, as well as earning the Star Council Award and the Power of One whiteboard video. The set also contains the First Degree Video Production. Limit 1 DVD set per council. State orders: Please call the Department of Fraternal Mission at 203-752-4270 to order.
50049	E	A PEOPLE OF LIFE — 53 minutes. A People of Life is the story of the pro-life movement in North America and of the role that the Knights of Columbus has played over nearly four decades in the effort to help replace today's culture of death with a culture of life. It is a story of extra-ordinary dedication on the part of millions of Knights and their families, and a guide to what it will take to succeed in the end. This video examines all of the threats to human life and dignity in the modern age: abortion, human embryonic stem cell research and euthanasia. It is a call to every faithful Catholic to embrace the cause of life. Featured are interviews with Supreme Knight Carl Anderson, March for Life founder — Nellie Gray, Project Rachel founder — Vicki Thorn, Congressman Chris Smith and Athletes for Life President — Chris Godfrey, among many others.
50051	E	NEIGHBORS HELPING NEIGHBORS — 3 disk set. The Knights of Columbus is one of the country's leading volunteer organizations and the world's largest Catholic fraternal organization with more than 1.84 million members worldwide. In February 2009, in response to the economic crisis, the Knights sponsored a conference in New York city called "Neighbors Helping Neighbors," which brought together representatives of many of the nation's leading volunteer organizations. This video documents the proceedings from that conference, including a keynote address by Supreme Knight Carl A. Anderson.
50052	E	MADE FOR EACH OTHER — Disc set portrays how man and woman complement each other in marriage. This DVD was produced by the Ad Hoc Committee for the Defense of Marriage, a division of the United States Conference of Catholic Bishops (USCCB) Secretariat of Evangelization and Catechesis, and was funded by the Knights of Columbus.
50053	E	CHANGING HEARTS — (running time - 14 minutes, 30 seconds) presents real testimonies from state and local K of C officials, pregnancy care center workers, and pregnant women themselves, about the effect an ultrasound image can have on changing a woman's intention to abort her unborn child to instead choose life. In the words of several people in the video, an ultrasound image helps a woman to "see her baby for the first time" through a "window to the womb" in a way that is "changing hearts one woman at a time."
50055	E	MADE FOR LIFE — A 10 minute video which highlights the aspects essential to the truth about marriage: the gift of children and the indispensable place of fathers and mothers. The DVD is intended to be used with the viewer's guide and resource booklet as a tool for catechesis and further education on the meaning of marriage.
50058	E-F-S	MEMBERSHIP RECRUITMENT — A 19 minute training video geared toward council officers and membership committee members on the proper way to conduct recruitment drives. The video outlines popular recruitment strategies including church drives and open houses and outlines ways for council recruiters to identify prospective members.

50059	E	MADE FOR FREEDOM — This DVD and accompanying study guide focus on the intersection of marriage and religious freedom in America. From the <i>Marriage: Unique for a Reason</i> series, an initiative of the USCCB Subcommittee for the Promotion and Defense of Marriage, with funding from the Knights of Columbus, this series is meant to catechize and educate Catholics on the meaning of marriage as the union of one man and one woman. (runs 8 minutes, 36 seconds)		
50060	E	MADE FOR THE COMMON GOOD — This DVD and accompanying study guide introduces the theme of the common good, looking at new challenges that result from a false concept and redefinition of marriage being imbedded into law. This guide examines the common good of society, marriage as a social justice issue, and how sexual difference is an integral part of the family. This DVD is the fourth of four DVDs in the <i>Marriage: Unique for a Reason</i> series produced by the USCCB Subcommittee for the Promotion and Defense of Marriage, and funded by the Knights of Columbus
