

## Knights in Action. Faith in Action.

Founded in 1882 by a parish priest, Venerable Michael McGivney, to assist working-class and immigrant Catholics in the United States, the Knights of Columbus now consists of 17,000 councils throughout North America and the world – making it the world’s largest Catholic fraternal service organization. Today the approximately two million members of the Knights put their faith into action through a broad range of charitable causes locally, nationally and internationally with financial contributions and hands-on service. As the strong right arm of the Church, Knights stand firm in their support of those being initiated into our faith – our future leaders.

## Why do the Knights of Columbus offer a Sacramental Gifts Program?

The Knights of Columbus are present for our parish families to support and embrace them at the most significant events in the life of the domestic church: the sacraments. We want Catholic youth and young adults especially to know that the Knights of Columbus will always be there for them in a meaningful way at these important moments of encounter with Christ.

*“The Sacraments express and realize an effective and profound communion among us, for in them we encounter Christ the Savior and, through him, our brothers and sisters in faith.”*

– Pope Francis

## What gifts are provided by Knights of Columbus at sacramental services?

The Knights of Columbus Supreme Office (headquarters) offers pre-made kits of gifts, but these are by no means the only resource that should be used for the Sacramental Gifts Program. Councils are encouraged to create or purchase and distribute *their own* gifts! The best gift possible is one that is relevant to the parish and has a lasting impact on the recipient. In choosing gifts, Knights of Columbus councils are also mindful of any existing cultural traditions in their community and of potential unintended perceptions of the gifts they choose.
