COMPETITION

The Knights of Columbus Soccer Challenge is a competition designed for players aged 9 through 14 to demonstrate the most basic of soccer skills — the penalty kick. Each player will be allowed 15 shots at the goal from the penalty line (12 yards from the goal).

The goal will be divided into a series of five scoring zones. The upper corners of the goal will be designated as 20 point zones. The lower corners will be designated as 10 point zones and the central region is a five point zone. To construct the five scoring zones attach a piece of rope approximately six and a half to seven feet in length diagonally across the four corners of the goal as shown in the diagram below. Use tent stakes to secure the bottom ropes to the ground.

SCORING

To score this competition each participant will be given 15 penalty kicks. Points will be awarded depending upon the area of the scoring zones through which the ball passes. For example, after the player’s 15 penalty kicks, his/her scores are 5/10/20/5/5/5/5/5/10/5/5/5/5/5/10, his/her total score would be 125. A score of 125 would be marked on the entry form/score sheet. Normal rules of soccer regarding penalty kicks apply for all levels of competition. Penalty kick violations include stepping on or over the line prior to the kick, and any contact made with the ball counts as a kick. Scorers should record shots made and missed according to the instructions on the entry form/score sheet. It is also recommended that multiple scorers be assigned to each goal for scoring accuracy and comparison. All scores should be verified before the next contestant is allowed to shoot. The use of video tape recording is not recommended to resolve questions on scoring totals. Judges and scorers are given final authority in verifying all scores and violations.

JUDGES/SCORERS/BALL CATCHERS

Judges, scorers, and ball catchers will be selected by the Soccer Challenge Chairman at the council level, by the district deputy at the district level, and by the state deputy at the regional and state levels. The recommended minimum is one judge, two scorers, and a ball catcher at each goal. It is recommended that volunteer parents be utilized in age groups other than the group(s) in which their child (children) competes. The judge will ensure that each participant receives the proper number of shots on goal and will point out any kicking violations (see scoring section). All questions will be resolved by the judges and Soccer Challenge chairman. Scorers should refer to the scoring instructions included on the entry form/score sheet.
Regulations

The recommended time frame for the Knights of Columbus Soccer Challenge is:

Council Championship – September
District Championship – October
Regional Championship – October/November
State Championship – November

Specific dates for Regional and State Championships are available from the state program director. All program material should be ordered 4 weeks before your contest to ensure availability.

State officials should notify each council and district deputy well in advance concerning the dates, times and locations of the regional and state championships. The district deputy is responsible for notifying councils of the date, time and location of the district competition. The grand knight or Soccer Challenge chairman should notify the council winners of the date, time and location of the next level of competition.

Eligibility

The Knights of Columbus Soccer Challenge is open to all boys and girls in your community, ages 9-14. Age eligibility is determined by the age of the contestant as of September 1. Proof of age is required. Athletes in high school should be advised to check with their school athletic directors or their state high school athletic associations regarding possible eligibility conflicts.

Entries

All competitors must register using the official Knights of Columbus Soccer Challenge Entry Form/Score Sheet (#4578) provided in the Soccer Challenge Kit or at kofc.org/soccer using the “support materials” link. All kit materials are in this section. Proof of age must accompany all entry forms. Pre-registration is recommended but not required. The entry form/score sheet and proof of age must accompany participants through all levels of competition. The council number should also be clearly written on the form. Winners will progress to the district, regional, and state competitions. International champions are chosen on the basis of state-level results.

Field/Equipment

Each level of competition should be held on a local soccer field or suitable facility approved by and under the supervision of a participating Knights of Columbus council. Check with your parks and recreation department for availability and usage regulations. Do this as early as possible, because school/recreation teams are also reserving field space.

Age Specifications

Ages 9, 10, 11 (Boys & Girls Competitions):
Use a regulation-size soccer ball (size #4) and shoot 12 yards from the goal.

Ages 12, 13, 14 (Boys & Girls Competitions):
Use a regulation-size soccer ball (size #5) and shoot 12 yards from the goal.
COMPETITION LEVELS

Council Level

Each contestant receives three practice kicks followed by 15 consecutive kicks from the 12-yard penalty line. All age groups kick from the same distance. In the event a tie breaker is necessary, it should be conducted as follows: each contestant will have the opportunity to take 3 kicks from a position three yards behind the penalty kick line, if the contestants are still tied then they will continue to take turns of 3 kicks each until a clear winner emerges.

District, Regional and State Level

District deputies should inquire with their councils to see who is having a soccer challenge. If only one council participates, a district contest isn’t necessary. If the district contest is needed, call 203-752-4016 to order award medals free of charge. These must be ordered individually by district deputies.

Each contestant receives three practice kicks followed by 25 consecutive kicks from the 12-yard penalty line. In the event a tie breaker is necessary, it should be conducted as follows: each contestant will have the opportunity to take 3 kicks from a position three yards behind the penalty kick line, if the contestants are still tied then they will continue to take turns of 3 kicks each until a clear winner emerges.

NOTE: A Soccer Challenge event should not be held on a school day unless all participants are able to attend.
International Level

International champions are determined on the basis of best scores submitted from the state-level competitions in each age category. The prize is a crystal trophy engraved with the winner's name, council and city. In the event of a tie both parties are declared winners.

NOTE: In the event that a winner in any level cannot participate in the next level of competition, the second-place winner should represent the area for that age group.

AUTHORITY: The Knights of Columbus Soccer Challenge program will be under the authority of the state deputy and state youth director. Any questions about this program not answered in this guide should be directed to the appropriate state officials or to the Supreme Council Department of Fraternal Services, 1 Columbus Plaza, New Haven, CT 06510-3326; Telephone: (203) 752-4270, Fax: (203) 752-4108.

SOCCER CHALLENGE DIAGRAM

Below is a diagram of where the contestants will take their kicks from.
COUNCIL COMPETITION

The council Soccer Challenge chairman should follow these guidelines:

- Always use the program’s official name: Knights of Columbus Soccer Challenge.

- Order the Knights of Columbus Soccer Challenge kit (#SC-Kit) using the order form on page 3 of the Council Report Forms Booklet (#1436). Complete and submit the form to the Department of Fraternal Services, 1 Columbus Plaza, New Haven, CT 06510-3326; Telephone: (203)752-4016; Fax: (203)752-4108. This kit can also be ordered online at www.kofc.org/forms.

- Set a time and place. Contact schools, community centers or youth centers and reserve a soccer field. Ask local sports teams, colleges or universities to work with your council on the Soccer Challenge as part of their community outreach program. While September is the recommended month for conducting a council competition, councils should be flexible and work around the schedules of local school’s teams. All local competitions should be held so that the winners can participate in the district competitions, and district events should be held prior to regional or state events.

- If an insurance certificate is requested a 1 day policy for $1 million of coverage can be purchased from R. C. Knox and Co. Contact Hal Smullen at 860-524-7614.

- Contact the schools in your area to explain the program. Seek permission of the principals, athletic directors, and superintendents to conduct the program as part of their physical education or intramural program, or ask for an endorsement encouraging students to participate in this community sports program. High school athletes should be reminded to check with their state high school athletic association/athletic director about possible eligibility conflicts. Contact officials from the town recreation department or local youth soccer leagues to promote the competition among their players. Teams and schools can hold preliminary competitions to determine winners by age groups to advance to the council competition. Make sure that entry forms/score sheets are distributed in advance to the officials of the leagues or coaches of the teams.

- Display program posters prominently to generate attention and participation. Ask to display posters in schools, youth centers, church halls, libraries, Boys & Girls clubs, shopping centers, YMCA and YWCA buildings and the council meeting place. On the poster indicate the name of the contact person, the date, time and location of the competition; and a telephone number to call for additional information. Supplement these posters with newspaper ads, radio and TV spots and other publicity. Additional posters are available at no charge from the Supreme Council office.

- Preregistration of athletes will boost the number of participants and save time at the actual event. Distribute entry forms/score sheets to approved locations. Make sure the teachers know your council number and contact info. Personally deliver entry forms/score sheets to physical education teachers and coaches when possible. Try to collect completed forms and proof-of-age documents before the competition to get a general estimate on the number of participants. Plan the competition based on these numbers. Have an announcement made in school or send out a reminder of the competition immediately before the event. Be ready to accept entry forms/score sheets from walk-in participants on the day of the competition.

- Don’t forget that the Soccer Challenge presents an excellent membership recruitment opportunity. Set up a table at the competition so that attending parents can learn about what the council has to offer prospective members. Stock it with membership pamphlets and Form 100’s to hand out. To grab...
their attention, use a poster such as #4355 E, “In Service To One, In Service To All” (available from the Supply Department) or set up some refreshments. Make sure you get the phone number of potential recruits to perform adequate follow-up procedures.

- Cash or bonds must not be awarded at any level of competition since they may compromise the amateur status of the contestant.

- Build public interest. Use the sample press release shown on page 10 to announce the competition in local newspapers and through radio announcements. Always use the program’s official name: Knights of Columbus Soccer Challenge.

- Conduct the competition by the rules covered in this booklet. Plan to open the field an hour before the actual event to allow for the registration of walk-in participants. If space allows, participants are welcome to warm up prior to the start of the event. Organize entry forms/score sheets by age and gender. Make a final check of equipment and see that the regulation-size soccer balls are available and that the 12-yard penalty lines are clearly marked. Verify that judges and scorers have been properly advised of their duties and responsibilities. Use the entry form/score sheet to record each participant’s score. This form, and proof of age, must accompany each competitor as he or she progresses through the higher levels of competition. All council-level participants will compete during the scheduled hours of the competition and under the same conditions as all other competitors. No participants should be allowed to compete at any other time.

- Pump all balls well ahead of event so that the Supreme Council can replace them if needed.

- Present Participation Certificates (#4573) to all participants, and Council Champion Certificates (#4575) to the winners at the end of the competition. The Soccer Challenge Kit contains 75 certificates for competitors. Twelve champions’ certificates are also included.

- The Supreme Council Supply Department has plaques, prizes, and promotional items available which are suitable for council champions. These items include regulation-size soccer balls, plaques, and trophies all bearing the K of C logo.

- Personalize the sample announcement on page 10 by adding the names of the council winners and send copies to local and diocesan newspapers and radio stations.

- Immediately following your council’s championship, the grand knight must complete and submit the Soccer Challenge Participation Form (#4567) found on page 3 of the Council Report Forms Booklet and included in the Soccer Challenge Kit as well as the support materials link at kofc.org/soccer. This feedback provides valuable statistics for participation and an overall assessment of the program. Include the number of participants in the council’s competition as well as the number who participated in any preliminary school or league competitions.

- Provide the entry forms/score sheets and the proof of age for the council winners to the district deputy for the district competition. Make sure your council number is on the form. Inform council competition winners of the date, time and location of the district competition and any other levels of competition to which they are advancing.

- Be sure that a council official accompanies council winners to all upcoming competitions as they advance. In the event that a winner in any level cannot participate in the next level of competition, the second-place winner should represent the area.
PUBLICITY: GET THE WORD OUT!

One of the best ways to make sure your council’s soccer program is a success is to publicize it. The program must always be referred to as the “Knights of Columbus Soccer Challenge”.

After reserving a soccer field and setting a date for the competition, use the sample press release on the next page to announce the event.

Retype it, double spaced, on council letterhead, filling in the necessary information giving who, what, when and where of your council’s scheduled Knights of Columbus Soccer Challenge. Make sure to include the name, phone number and e-mail address of a contact person.

Ask editors to publish a reminder close to the date of the championship and to list it in the community or weekend calendars. Talk with assignment editors and suggest the competition as a great opportunity for a feature story. Make arrangements for a story about your winners. Personally deliver or send in their names, ages and stories, along with clip art logos (available at www.kofc.org/clipart), to the editors of both local news and sports sections of secular and diocesan newspapers. Send press releases to radio and TV stations and local access cable news programs.
