NEWS FOR KNIGHTS OF COLUMBUS

Natural disasters don't stop during the coronavirus. Today, please join us in praying for our brother knights and their families affected by the recent hurricane in Puerto Rico and flooding in Alberta.

As we focus our prayers on our brothers in need, take a look at what Knights are doing to help others around the world.

Canadian Knights give hope with wheelchair

Alexander Wyznowski said the wheelchair from the K of C gives "hope that God still cares about me"

The 79-year-old's wheelchair was stolen right off his front porch. A temporary one was loaned to him, but his time was running out, and he didn't qualify for assistance from several aid agencies. He was distraught and felt like a prisoner.

Then the Knights from St. John Bosco Council 10986 in Edmonton, Alberta, stepped in, purchasing a wheelchair from the Canadian Wheelchair Foundation. [READ MORE](#)

Separated by COVID, K of C couple aids Philippines

Duane and Junalyn Morris have been coordinating relief efforts abroad as part of "God's plan"

Duane Morris – the Knights of Columbus General Program Director for Oregon – expected his wife, Junalyn, to be back from visiting family in the Philippines on March 17. Now, he's not sure if he'll see her until June 1.

The economic impact of the pandemic has taken a toll, especially on poorer families, many of whom have lost their jobs. Most are unable to buy necessities, even food.

The feast of our Lady of Fatima is this Wednesday, May 13. We welcome all brother Knights and their families to join in a prayer re-entrusting the Knights of Columbus to Our Lady of Fatima.
