Knights of Columbus

Fourth Degree Color Corps Drill Manual

Religiously Devoted. Patriotically Proud.
Foreword

This manual provides the accepted drill procedures of the Fourth Degree Knights of Columbus. It has been developed for use by Fourth Degree Color Corps as a standard for uniform drill procedures; Honor Guard/Color Guard procedures; and the Manual of the Sword.

Uniform drill procedures will enable individual Sir Knights to drill with other assemblies, and will facilitate participation of entire assemblies to drill as a part of a larger unit. Sir Knights can drill with confidence of knowing that their participation will be compatible anywhere.

It must be kept in mind, however, that the exact Color Corps protocol in specific ceremonies (procedures at Mass, processions, wakes, burials, watches, escorting dignitaries, laying a cornerstone, church dedications, etc.) cannot be foreseen entirely because of the differing procedures in local dioceses and parishes.

It is required that the Master of a District receive approval from the respective Ordinary of each Diocese within his District concerning the specific activities of the Color Corps in religious ceremonies.

Use or non-use of the sword shall be subject to the determination of the Master of the District, AFTER his consultation with the Ordinary of the Diocese whose policies shall prevail. When the sword is used this manual will be the reference or its use.

It is most imperative that the Assembly Color Corps Commander or Marshal coordinate the activities of the Color Corps with the celebrant or Master of Ceremonies prior to the start of a religious ceremony. It can often happen that many of the procedures identified in this manual may not be carried out based on space and/or liturgical limitations.

In any areas not covered specifically by this manual, a decision can be made at the discretion of the Vice Supreme Master or the Master of the District.

Purpose of the Color Corps of the Fourth Degree

The primary purpose of the Fourth Degree is to encourage active Catholic citizenship and foster the spirit of patriotism in members and the community at large.

The Color Corps members exemplify all the principles of our Order:

- **Charity** - by the gift of their time and energies necessary to practice, perfect and perform the ceremonials and sword drill;

- **Unity** – by the united efforts of Sir Knights to practice and perfect a coordinated drill for the good of the Church and the Order;

- **Fraternity** – by expressing an “Esprit de Corps,” sharing a common desire for drill excellence and camaraderie; and

- **Patriotism** – by performing precision drill as a salute to God and to country and visually exhibiting a love for both.

Color Corps Description

The Color Corps (C.C.) has two sub-groups, the Color Guard (C.G.) and the Honor Guard (H.G.). The Color Guard consists of the flag bearers and at least two members of the Honor Guard who escort the colors. The Honor Guard consists of members of the Color Corps who have mastered the Manual of the Sword.

In many assemblies, all members of the Color Corps belong to the Honor Guard. This should be kept in mind when following the procedures in this manual.

The public appearance of Fourth Degree Knights as a Color Corps at religious and civic functions is an important activity for each assembly. They add dignity and the pride of Church and country to any event. By these public demonstrations their loyalties bring credit to themselves and to the Knights of Columbus.

Color Corps Regulations

Every assembly should organize and maintain a Fourth Degree Color Corps under the supervision and direction of the Master of the District. Such bodies may participate in Installation of Officers, Fourth Degree Exemplifications, religious and public functions and parades and other functions, with consent of the Master of the District.

The training and activities of an assembly’s Color Corps should be coordinated and directed by a Color Corps Commander (C.C.C.) to be appointed by the Faithful Navigator.

It is important to remember that when individual members of the Color Corps appear at public functions they are not only representing themselves, but also their assembly and the entire Order of the Knights of Columbus. Their conduct and appearance should reflect this at all times. The regulations for the Color Corps (C.C.) apply to the following:

1. Color Corps (C.C.): A Fourth Degree Knight, who has been trained and possesses the official regalia, in good repair, is eligible to participate in C.C. functions.

2. The assembly will have a Color Corps Commander (C.C.C.) appointed by the Faithful Navigator (F.N.) for a term not to exceed that of the F.N. The C.C.C. is responsible for securing his own sword, service baldric and gloves.

3. Expenses incurred by the C.C. are the responsibility of the assembly and are not chargeable to the fund of the District Master (M.F.D.).

4. The M.F.D. must contact the Ordinary of the Diocese as to his wishes pertaining to the C.C. in liturgical events. The pastor of a church must also be consulted, and his approval obtained, before any function can take place in his parish. Please note: the policies as approved by the Ordinary for the C.C. will ALWAYS take precedence.

5. The Marshal (M.) is the Commander in charge at any district or provincial event where he is acting on behalf of the M.F.D.

6. The Color Corps may not cross district lines except with the approval of the M.F.D.s involved and have received approval of the Vice Supreme Master (V.S.M.). For a multi-assembly function, when all C.C. members are invited to participate, the M.F.D., through his M., will be in charge.

7. For Supreme Council functions, where C.C. members come from Orderwide jurisdictions, the C.C. will be under the direction of the host V.S.M with support from the hosting M.F.D. and his M. Additionally, the
Board of Directors has adopted personal appearance guidelines, for Supreme Council events which must be adhered to by each member.

8. The assembly C.C. may perform at any internal or external function in its designated service area and shall be under the direction of the assemblies F.N. through the C.C.C.

When the upper row contains 4 medals the left edge of the holding bar will be aligned with the left edge of the pocket. When the upper row contains less than 4 medals it will be centered above the lower row (see pictured diagrams).

No medals of any other group or organization are allowed to be worn in regalia.

Precedence of Miniature Medals of Office

The order of precedence for the wearing of Papal Orders and Knights of Columbus miniature medals is as follows:

Color Corps Protocol
Prior Coordination

[Note: The protocols set forth for the Color Corps in this manual are strongly recommended. It is understood that some directives may change based on event available space and/or the liturgical procedures as set forth by the Ordinary of the Diocese.]

In all ceremonies, whether within a church, other buildings, or out-of-doors and when acting in conjunction with a group of the clergy, altar servers, societies, military units, or others, it is very important that the M.F.D. consult with the Ordinary of an Archdiocese or Diocese to clarify all of the procedures that are acceptable within that jurisdiction. At the local level, it is imperative that the C.C.C. or M. consult with the celebrant or with those in charge of the other complements and act in conformity with them. If a Master of Ceremonies or M. is in charge, his instructions shall be followed although it may mean deviating from the suggested procedures outlined herein.

Silent Commands

Reference is made in this section to “visual commands.” Due to the necessity for silence, particularly during a drill participation in church, silent “cues” must be used by the C.C.C. or M. to instruct members and to give commands. The simplest method for those visual commands is for the C.C.C. or M. to step to a position where he is visible to all of the Sir Knights participating and give the cue for the order he wishes carried out. For example raise both hands, palm up, from the sides to order the Honor Guard to Stand; place right hand on the grip of the sword to order “DRAW,” place right hand on the grip of the sword to order absolutely essential that practice with silent commands be conducted so all members of the guard will be familiar with the “cues” and the required responses.

Liturgical Processions

The Fourth Degree Color Corps precedes the liturgical procession of the ordinarily functioning as liturgical ministers. The role of the Fourth Degree Honor Guard, then is simple and straightforward; it is a ceremonial honor guard. The ultimate goal is to “add dignity to the celebration of the Sacred Liturgy and to display pride for the religious freedom, a gift from God bestowed upon our Church and country.”
At major liturgical events, the following protocol is to be followed by Color Corps, unless determined otherwise by either the Ordinary for all cases or the celebrant of the Mass for that particular case.

1. The Honor Guard precedes the liturgical procession, followed by the Cross and Candles, both to and from the sanctuary (i.e., at the processional and recessional).

2. The liturgical procession has its own principle of ordering the ministers from “lowest to highest.” This is not, however, the ordering principle of the Honor Guard. Rather, the Honor Guard orders itself from “highest to lowest” after the Master of the District and Marshal, (if present) Assembly Faithful Navigator and the Color Corp Commander who directs the guard.

3. Upon processing to the sanctuary, the members of the Honor Guard—ordered from highest to lowest—take their positions at the ends of the pews in order for the liturgical procession to pass through.

4. Upon receiving the command, the members of the Honor Guard either take their seats at the end of each pew (one man per pew), or process across the front of the Church and circle to the back.

5. At the time of Holy Communion, the members of the Honor Guard approach in the manner determined in the Color Corps Drill Manual.

6. At the recessional, and upon the appropriate signal, the Honor Guard either steps aside from the pews or approaches from the back of the Church to line the aisle. Upon the signal of the leader, the Honor Guard recesses from the Church in the usual manner, preceding the liturgical procession.

7. Should it be determined by the Ordinary or the celebrant, or if particular circumstances demand, that the honor Guard will not precede the liturgical procession in the recessional, the norms of the Color Corps Drill Manual will be followed.

**Processions**

**A. Color Guard**

1. The Color Guard consists of the Flag Bearer(s) and Flag Guard(s). In all cases when a C.G. is used it will lead the H.G. during both the processional and recessional. Care must be taken that the National Flag is always on the marching right. When posted, the National Flag goes to the right of the celebrant and all other flags to his left as he faces the congregation.
2. A Color Guard (C.G.) is not required, but if used, it should consist of four to six Sir Knights in Color Corps regalia. Two Sir Knights are to carry the National Colors and the Papal Flag and the other two Sir Knights will be guards for the flag. All marching done by the flag guards will be in the “**Carry Sword**” position. Some assemblies carry four flags in the Color Guard; the two additional Sir Knights would carry these flags. After the Flags are posted the Color Guard (C.G.) will proceed to their pre-designated pews.

**B. Order of Procession**

1. Knights of Columbus dignitaries and their spouses proceed through the Fourth Degree Honor Guard from the lowest-ranking official to the top-ranking official.

2. For a Knights of Columbus procession the suggested order of procession would be as follows:

   1. Field Agent(s)
   2. District Warden
   3. Assembly Officer(s)
   4. Council Officer(s)
   5. Faithful Navigator(s)
   6. Marshal
   7. Grand Knight(s)
   8. Chapter President(s)
   9. General Agent(s)
  10. State Director(s)
  11. Former District Master(s)*
  12. District Deputy(s)*
  13. Former Vice Supreme Master(s)
  14. Past State Deputy(s)
  15. Master of the District*
  16. State Officer(s)*
  17. Vice Supreme Master(s)
  18. Former Supreme Officer(s) & Director(s)
  19. Supreme Director(s)
  20. Supreme Master
  21. Supreme Officer(s)
  22. State Deputy
  23. Supreme Knight
  24. Members of the Clergy

(*If a Fourth Degree function, the District Master and State Officers exchange positions, as do Former Masters and District Deputies.*)
C. Honor Guard / With Swords

1. When leading a procession of dignitaries **with swords** being permitted:
   
a. The Honor Guard with swords at the “**Carry Sword**” position is led into the church by the C.C.C. or M.

b. The Honor Guard will then proceed in a column of twos by way of the center or main aisle from the rear to the front of the church at which point the C.C.C. or M. will “**Halt.**” The Honor Guard will “**Halt**” in their places.

c. The C.C.C. or M. shall immediately “**About Face**” which will be the signal for the Honor Guard to “**Face**” toward the center of the main aisle.

d. The C.C.C. or M. will move into line with one of the files. In unison with the C.C.C. or M., the Honor Guard will assume the “**Present Sword**” position.

e. This position is held while the procession from the rear of the church proceeds forward between their files.

f. After the celebrant passes his position, the C.C.C. or M. shall step forward to signal the Honor Guard to simultaneously come to the “**Carry Sword**” position, take One Pace forward, “**Face**” towards the altar and “**Fall In**” to the rear of the C.C.C. or M.

The columns shall follow the lead of the C.C.C. or M., processing to the front cross aisle. The two files of Sir Knights separate by turning at the front cross aisle toward their respective side aisles.

g. The Honor Guard will proceed to the rear of the church, where the C.C.C. or M. gives the command to “**Return Sword.**” They will enter their designated pews from the side aisle and remain at “**Attention**” until all are in place.

h. Thereafter, they will follow the C.C.C. or M. to sit, stand, remove or replace the beret and swords, etc.

D. Honor Guard / Without Swords

1. When leading a procession of dignitaries **without swords.** The Honor Guard is led to the rear of the church by the C.C.C. or M.

2. They will proceed in a column of twos by way of the center or main aisle from the rear to the front of the church, at which point the C.C.C. or M. shall “**Halt.**” The Honor Guard will “**Halt**” in their places.
3. The C.C.C. or M. shall immediately “About Face” which will be the signal for the Honor Guard to “Face” toward the center of the main aisle.

4. The C.C.C. or M. will stand at the center of the aisle and begin to render a “Hand Salute.” In unison with the C.C.C. or M., the Honor Guard will assume the “Hand Salute” position. This position is held while the procession at the rear of the church proceeds forward between their files.

5. After the celebrant passes his position, the C.C.C. or M. shall step forward to signal the Honor Guard to “Return to Attention,” take one Pace forward, “Face” towards the altar and “Fall In” behind the C.C.C. or M. The columns shall follow the lead of the C.C.C. or M., processing to the front cross aisle. The two files of Sir Knights separate by bowing to the altar and turning at the front cross aisle toward their respective side aisles.

6. The Honor Guard will proceed to the rear of the church. They will enter their designated pews from the side aisle and remain at “Attention” until all are in place.

7. Thereafter, they will follow the C.C.C. or M. in sitting, standing and removing the beret and tucking it under the belt, near the right hip over the right trouser pocket.

Recessional

A. Precede the Recessional

1. The C.C.C. or M. will signal the Honor Guard to “Stand” and file out of their pews to their agreed-upon positions in the center or main aisle of the church.

2. Upon reaching these positions, the C.C.C. or M. will signal the Honor Guard to “Face” the center of the aisle, and upon his command, assume the position of “Draw Sword” and “Present Sword.”

3. The C.C.C. or M. will “Carry Sword,” move to the center of the aisle, “Face” the rear of the church and march between the ranks. As the C.C.C. or M. passes each pair of Sir Knights, they (in pairs) will return to the “Carry Sword” position, Step forward, “Halt,” and “Face” towards the rear of the church.

4. They will then follow the C.C.C. or M. between the other remaining Honor Guard positions and “March” out of the church. As the Honor Guard passes through the next pair of Sir Knights will “Fall In” behind the last member passing him and all will march to the dismissal point.
5. When swords are not being used, the same procedure as described above will be followed, with the following exception. The “Hand Salute” will be used instead of “Draw Sword” and “Present Sword.”

B. Follow the Recessional

1. If the Color Corps is to follow the recessional, the procedure to be followed is the same as the Precede the Recessional, with the Color Corps Posted on the sides of the center or main aisle at the “Present Sword” position (if permitted).

2. The C.C.C. or M. will follow the last member of the recessional; with the Honor Guard members following him in turn in the same procedures as explained in Recede the Recessional.

Procedures during Mass

It is recommended that, after being seated, the Color Corps remain in their designated pews during Mass and follow the directions of the C.C.C. or M.

A. Removal of the Beret

1. Once in place, the C.C.C. or M. will issue a silent command to remove the beret; which shall be removed from the head, folded and tucked under the belt, near the right hip over the right trouser pocket. (See Figure 1, 2, & 3.) The beret will remain off until command is given to replace cover. The Honor Guard will participate in the Sacrifice of the Mass along with the faithful present.
2. When standing, seated or kneeling, the beret will remain tucked under the belt. (See Figure 26.)

**B. During the Consecration**

1. The consecration of the Blessed Sacrament is the center of our faith. As such, at the time of the consecration during the Mass, all honor and praise should be given to God.

2. Other than these directives, **there shall be no movement of the Color Corps during the consecration of the Blessed Sacrament regardless of whether or not swords are permitted.**

**C. Reception of Holy Communion**

1. The Color Corps should be the last to receive the Holy Eucharist.

2. After the “Great Amen” the C.C.C. or M. will give the silent command for the Color Corps to remove gloves. The gloves will be placed in the pocket until after the reception of the Holy Eucharist.

3. The C.C.C. or M. will give a silent command for them to step into the aisle and move forward to receive the Eucharist, in turn.

4. After the entire Color Corps has received Communion and returned to their pews, the C.C.C. or M. will give the silent command for the Color Corps to be seated, and await instructions.

**D. Recessional from the Church**

1. To prepare for the recessional from the Church, on direction of the C.C.C. or M. the Color Corps shall glove their hands, and withdraw the beret from their belt, and return their beret to their proper position upon their head. (See Figures 3, 2 & 1.)

2. On command of the C.C.C. or M. the Color Corps will form themselves to be prepared for the recessional.

**Eucharistic Adoration**

Eucharistic Adoration is a very solemn and prayerful occasion. Fourth Degree Honor Guards add dignity, but must keep movements or distractions to a minimum. Assembly of Honor Guard Members should be a place or location away from the worship space, and must keep noise to a minimum. The directions of the principle celebrant are paramount.

The C.C.C. or M. and the pair of Sir Knights will approach the Altar of Exposition. When swords are used, on command all three will “**Present Sword**”
and then return to the “Carry Sword” position. If swords are not used then they will be left in the scabbard and one Sir Knight shall be posted at each end if the Altar of Exposition, outside the Sanctuary limits, Facing each other.

The Honor Guard watch, once posted shall immediately come to “Parade Rest.” The C.C.C. or M. will perform an “About Face” and “Return” to the assembly area.

The Honor Guard on post shall be relieved at regular intervals. The best interval is 10 to 15 minutes, depending on the number of Sir Knights in attendance. Excess movements could be distracting to the faithful attempting to worship. Reasonable accommodations should be made for Honor Guard members with disabilities.

At the designated time for the change of the watch, the C.C.C. or M. will Lead the relief (all at the “Carry Sword” position) to the Repository. When the relief will “Halt” before the altar, they will “Move” to the flanks to allow sufficient space for the old watch to stand between them and the C.C.C. or M.

The old watch will assume the position of “Carry Sword,” and will “Move” on line between the C.C.C. or M. and their relief. All will face the altar, assume the position of “Present Sword” and then return to “Carry Sword.” The relief will “Post” at the positions of the old watch at opposite ends of the altar, and will immediately assume the position of “Parade Rest.” The old watch and the C.C.C. or M. shall “About Face,” and the commander will lead them (still at “Carry Sword” position) to the assembly area.

**Laying of a Cornerstone**

The Honor Guard will march in a column of twos, ahead of the clergy and dignitaries, from the assembly area to the place where the cornerstone is to be laid. The Honor Guard columns will Split and March so as to form two ranks at the area where the ceremony is to be performed.

If the Blessing of the Foundation precedes the Laying of the Cornerstone, the procession first circles the building. If the Blessing of the Foundation follows the ceremony, then the Honor Guard is re-formed into a column of twos and resumes its place in the procession around the building.

Honor Guard will remain at the “Carry Sword” position throughout this ceremony.
Dedication of a Church

The Honor Guard (all at the “Carry Sword” position) shall March in a column of twos, ahead of the clergy and dignitaries, from the assembly area to once around the outside of the new church. After circling the new church, the Honor Guard, upon arriving at the main entrance, will “Halt” and Form an aisle between the two files. The Honor Guard will “Face” the center of this aisle and assume the position of “Present Sword.” The Bishop will pass between their ranks and approach the main door of the church. When the Bishop has entered the church, the Honor Guard will come to “Carry Sword” position, “Face” the door, and remain until invited by the master of ceremonies to enter the building. The Honor Guard may then either continue in the procession around the inside of the church or move directly to their assigned seats as prearranged with the Master of Ceremonies.

Wake – Funeral – Cremation Services

Wake or Cremation Services

Without exception, honors by the Honor Guard shall be offered to deceased Sir Knights, their immediate family members, Council members and to their immediate family members provided a request is made.

It must be distinctly understood that the wishes of the family of the deceased member are paramount and will be given the fullest consideration as to the selection of elements of the Honor Guard involved, if any.

The ceremony at the wake (Rosary, prayers, etc.) or the Services for Cremation will be conducted in accordance with local customs, generally at the direction of the priest or deacon.

The C.C.C. or M. will request the funeral director to set aside a room for the Honor Guard to assemble and will inform him of the hours it is to be used. When assembled, the C.C.C. or M. will divide the Honor Guard into pairs for the watch. The C.C.C. or M. will lead the first pair of Sir Knights, with swords at the “Carry Sword” position, to the casket. When they arrive before the casket, they will “Halt” and, together with the commander, assume the “Present Sword” position and then return to the “Carry Sword” position. The C.C.C. or M. will post one guard at each end of the casket or urn, where they will “Face” toward each other. The guards left on watch will remain at the position of “Carry Sword.”

The C.C.C. or M. will “About Face” and return to the assembly room. The Honor Guards on watch should be relieved at regular intervals. Care must be
taken that no guard relief is made during ceremonies for the deceased, such as saying the rosary. Able bodied Honor Guards need to be on watch during any ceremony with the physical ability to retain the “Carry Sword” position for a long period of time.

Immediately upon the completion of the ceremony for the deceased, the C.C.C. or M. will lead the new watch (all at the “Carry Sword” position) to the casket or urn. When the new watch arrives, they will “Halt” and “Move” to the flanks to allow sufficient space for the old watch to stand between them and the C.C.C. or M. The old watch will “Move” on line between the C.C.C. or M. and their relief. All will face the casket or urn, assume the position of “Present Sword” and then return to “Carry Sword.” The relief will “Post” at the positions of the old watch at opposite ends of the casket or urn. The old watch and the C.C.C. or M. shall “About Face,” and the C.C.C. or M. will lead them (still at the “Carry Sword” position) to the assembly area, in a silent and dignified manner.

When the deceased Sir Knight is a member of the clergy, four Honor Guard members should be posted to watch. If this deceased member is lying in state in church, the guards should be stationed two on each side on a line with the ends of the casket and two paces from it or from the candles which may be placed along the length of the casket, as permitted by space or other limitations, such as a receiving line. The Honor Guard will remain until the family departs or until directed by the family to leave.

Funeral Escort

It is recommended that the Honor Guard assemble at the church in ample time before the hearse is to arrive. The Honor Guard should be formed into two files facing each other at extended intervals and distances. The formation should extent from the church door to the curb. The Honor Guard will be ordered to “Attention” and to “Carry Sword” position by the C.C.C. or M. when the hearse door is opened. The Honor Guard will assume the “Present Sword” position when the casket is removed fully from the hearse. “Present Sword” is held until the casket and the immediate family members have entered the church. The C.C.C. or M. will then command “Carry Sword” and “Return Sword.”

The Honor Guard will process into the church. They will be seated, or positioned, at the rear of the church, and participate in the normal manner. It should be noted that there may not be any formal Honor Guard participation in the funeral Mass.
At the conclusion of the Prayers for the Dead by the priest, the Honor Guard will process from the church and proceed to their original position outside the entrance of the church, or near the hearse, as directed. Formed into two files, the Guard will assume “Carry Sword” and “Present Sword” and again render a salute to the casket and the immediate family members.

After the casket has been placed into the hearse and the door closed, the C.C.C. or M. will command “Carry Sword” and “Return Sword.” A march to a pre-staging area for the Honor Guard will be in order after the hearse door is closed. If there is a graveside service, the Honor Guard will need to be transported in the early stages to be prepared to assemble in order for the services.

Graveside Honors

A. Religious Ceremony

1. The Honor Guard should assemble at the hearse and march ahead of the casket with swords at the “Carry Sword” position to the gravesite. The Honor Guard will halt at a position designated by the funeral director and then will “Present Sword” as the casket is placed over the grave.

2. The Honor Guard will assume “Carry Sword” while the priest blesses the grave.

3. If this concludes the ceremony at the grave, the Honor Guard will “Present Sword” and then “Carry Sword” and make the required facing movement and march from the grave-site in a column of twos to the staging area for dismissal.

B. With Military Honors

1. When the graveside ceremony includes military honors, the Honor Guard will follow the commands of the military Officer-In-Charge.

2. When the firing squad is called to “Attention,” the Honor Guard will assume the position of “Carry Sword” (if not already at the position) and will retain that position throughout the firing salute volleys.

3. On the military command of Present Arms to the firing squad, the honor guard will “Present Sword” if not already at the position and will retain this position throughout the playing of “Taps” by the bugler.
4. At the military command of “Order Arms” to the firing squad, the Honor Guard will return to “Carry Sword” and will remain in this position until the flag on the casket is folded and presented to the next of kin.

5. The Military Guard, followed by the Fourth Degree Honor Guard, will then “March” from the gravesite in a column of twos to an adjacent area for dismissal.

[SPECIAL NOTE: Extreme care must be taken that Honor Guard participation in burial ceremonies and services is presented in only the best of taste and with maximum decorum. Careful coordination must be made with the family, priest, funeral director and/or military commander to ensure that the Knights of Columbus Honor Guard does not interfere with the services and yet presents the honors to which a deceased Sir Knight is entitled.]

[SPECIAL NOTE: Procedures “During Mass” – A two-man Honor Guard may be formed for the “Presentation of Gifts” at the direction of the celebrant, to escort the family members. Any other activity shall be to follow the wishes of the pastor, celebrant or master of ceremonies.]

Stationary Movements

This section contains most of the individual positions and stationary movements required in drill. These positions and the correct execution of the movement, in every detail, should be learned before proceeding to other drill movements.

All individual command movements are executed while at the position of “Attention”, except for “At Ease” and “Rest.”

A. Position of Attention

1. Assume the position of Attention on the command “Fall In” or the command “Honor Guard / Attention.”

2. To assume this position, bring your heels together smartly so that the heels are in the same line, with the toes pointing out equally, forming an angle of 45 degrees. Keep your legs straight without locking your knees. Hold your body erect with your hips level, chest lifted and arched, and your shoulders square and even.

3. Let your arms hang straight, without stiffness, along your sides with the back of the hands outward; curl your fingers so that the tips of the thumbs are alongside and touching the first joint of your forefingers. Keep your thumbs straight and along the seams of your trousers with your fingertips touching the trouser legs.

4. Keep your head erect and hold it squarely to the front with your chin drawn in so that the axis of your head and neck is vertical. Look straight to the front.

5. Rest the weight of your body equally on the heels and balls of your feet. Remain silent except when replying to a question or when directed otherwise.

B. Rest Positions at the Halt

1. Parade Rest - “Parade Rest” is only commanded from the position of “Attention.” The command for this movement is “Parade, Rest.” On the command of execution, “Rest,” move your left foot 10 inches to the left of your right foot. Keep your legs straight, resting your weight equally on the heels and balls of both feet.

2. Simultaneously, place your hands at the small of the back, centered on the belt. Keep the fingers of both hands extended and joined,
interlocking your thumbs so that the palm of the right hand is outward. Hold your head and eyes as at the position of “Attention.”

3. Remain silent and do not move. “Stand at Ease”, “At Ease”, or “Rest” may be commanded from this position. [Note: On the preparatory command for “Attention”, immediately assume “Parade Rest” when at the position of “At Ease”, “Stand at Ease”, or “Rest.” If, for some reason, a subordinate element is already at Attention, they remain so and do not execute “Parade Rest” on the preparatory command, nor does the subordinate leader give a supplementary command.]

C. Stand at Ease

1. The command for this movement is “Stand At, Ease.” On the command of execution, “Ease,” execute “Parade Rest”, but turn your head and eyes directly toward the C.C.C. or M. “At Ease” or “Rest” may be commanded from this position.

D. At Ease

1. The command for this movement is “At Ease.” On the command “At Ease,” you may move; however, you must remain standing and silent with your right foot in place. “Rest” may be commanded from this position.

2. REST - The command for this movement is “Rest.” On the command “Rest,” you may move, talk, smoke or drink unless otherwise specified. You must remain standing with your right foot in place. “At Ease” may be commanded from this position.

E. Facing at the Halt

1. Facing to the flank is a two-count movement. The command is “Left (Right) Face.” On the command of execution, “Face,” slightly raise your right heel and left toe, and turn 90 degrees to the left on your left heel, assisted by a slight pressure on the ball of your right foot. Keep your right leg straight without stiffness. On the second count, place your right foot beside your left foot, resuming the position of “Attention.” Hold your arms as at “Attention” when executing this movement.

2. Facing to the rear is a two-count movement. The command is “About, Face.” On the command of execution, “Face,” move the toe of the right foot to a position touching the ground approximately one-
half the length of your foot to the rear and slightly to the left of the left heel. Rest most of your weight on the heel of the left foot, and allow your right knee to bend naturally.

3. On the second count, turn to the right 180 degrees on the left heel and ball of the right foot, resuming the position of attention. Hold your arms as at “Attention” when executing this movement.

F. Hand Salute

1. The military hand salute may be used to render respect to the flag by Fourth Degree members who are in regalia and with or without swords.

[Note: Those members in civilian attire should render a salute by placing their right hand over the heart.]

2. The hand salute is a one-count movement. The command is “Hand.” On the command of execution, “Salute,” raise the right hand to the head until the tip of the forefinger touches the beret. The fingers and thumb are extended and joined, palm down. The outer edge of the hand is barely tilted downward so that neither the palm nor the back of the hand is visible from the front. The upper arm is horizontal with the elbow inclined slightly forward and the hand and wrist straight.

3. The return to the position of “Attention” is a two-count movement. The command is “Ready.” On the command of execution, “Two,” return your hand smartly, resuming the position of “Attention.”

4. The ceremonial hand salute (representing the “Tree of the Cross” and the “Arm of the Cross”) as taught in the First Degree is used at appropriate times.

5. Tipping of the beret is appropriate in (if not moving or drilling with the drawn sword), upon meeting members of the clergy or women. This salute is accomplished by grasping the beret with the right hand and lifting the beret from the head and replacing it on command. (Refer to Figure 2.)
Manual of the Sword
Knights of Columbus Sword, Scabbard and Service Baldric Description

The scabbard is carried on the left side and attached to the service baldric. The sword is only drawn from the scabbard on command and then only when participating in drills, ceremonies or practices for such occasions.

The parts of the Knights of Columbus sword are designated as follows:

**Blade** - That portion of the sword from the forward edge of the guard up to and including the point.

**Blade Edge** - The blade edge, not the flat part.

**Guard** - The cross piece between the blade and the grip.

**Guard Flange** - The decorative piece extending downward from the guard which covers the mouth of the scabbard when the sword is in the scabbard.

**Grip** - That part, plastic or wood, grasped by the hand.

**Grip Cap** - the bust of Columbus attached to the end of the grip.

**Hilt** - The grip and grip cap.

**Point** - The extreme end opposite the hilt. The Knights of Columbus Scabbard is defined as the sheath for the sword.

The distinctive parts of the scabbard are:

**Mouth** - The opening in the scabbard to receive the blade of the sword.

**Upper Band** - The decorative band below the mouth of the scabbard to which the clip is attached.

**Body** - The main tube, undecorated, of the scabbard.

**Foot** - The decorative band and cap at the lowest end of the scabbard.

**Clip** - The device on the upper band by which the scabbard is attached to the frog of the service baldric.

**Frog** - The device on the service baldric on which the scabbard is attached.

Sword drill, practices and ceremonies are always conducted at extended intervals and distances to prevent accidental injury and to avoid presenting a poor appearance for the Fourth Degree. Persons confined to the interior of a formation and at close intervals and distances must take care as they perform the manual of the sword. Much care and hard practice are necessary to become proficient in handling the sword.

A flexible arm and wrist are the first requisites in sword practice.

[Note: Rare exceptions may be allowed of the extended intervals and distances if it is the desire of the C.C.C. or M. to have all Sir Knights participate in a drill when the intervals and distances are less than normally required.]

There is a great need for the Honor Guard and the Color Guard to practice and rehearse to provide the best possible image of the Order. To that end the Honor Guard must be ready to be of service, but must be consistent and precise in executing a drill.

The Color Guard, though optional, if employed must be professional and follow established flag protocol without deviation. The Faithful Pilot has been charged with the responsibility of becoming an expert on flag protocol matters.

The C.C.C. or M. should practice assembly drill with assembly officers present to ensure compliance with Flag Rules established in each country of our conduct or operation.
Position of Attention when Wearing the Sword

A. With Sword in the Scabbard

1. With the sword in the scabbard, the position of attention is identical to that described for the Sir Knights drilling without sword, with the exception of the position of the left hand.

2. The left thumb, forefinger and second finger are used to control and prevent the swing of the scabbard and should lightly grasp the body of the scabbard (or the upper band, depending upon the length of the Sir Knight’s arm) with the arm hanging straight down the side without stiffness, to keep the scabbard from swinging during facing or marching movements.

B. Draw Sword

1. The command to draw the sword from the scabbard is “Draw, Sword.” At the preparatory command, “Draw,” grasp the upper band of the scabbard with the entire left hand and tilt the scabbard mouth forward until the scabbard is at an angle of 45 degrees with the ground. Simultaneously press the left hand lightly against the left hip.
2. With the right hand, reach across the body and grasp the grip of the sword and withdraw the sword completely from the scabbard. Keep the head erect and the eyes forward throughout the draw movement.

3. As the point clears the mouth of the scabbard, release the scabbard with the left hand and with the thumb, forefinger and second finger grasp the point of the sword.

4. At the command of execution, **“Sword,”** lower the right hand down across the body, firmly holding the grip of the sword. With the left hand still holding the point of the sword, raise the sword upward and across the body, guiding the sword to the center of the shoulder, **guard flange to the right side.**

5. When the maneuver is complete the right arm should be as nearly extended as possible, elbow back, the grip of the sword clasped easily between the thumb and forefinger. The third and fourth fingers will be back of the grip. The flange will rest on the top of the thumb and forefinger.

6. At the same time allow the scabbard to return its normal vertical position and resume the light grip with the left fingers as in the position of **Attention.** This is the position of **“Carry Sword”** and is reached automatically without further command. (See Figures 7, 8, 9 and 10.)
C. Carry Sword

1. With the sword drawn, the position of attention is identical to that described in the previous paragraph with the exception of the right hand.

2. The right hand is used to hold and control the sword as described herein for the position of Carry Sword. (See Figures 11, 12 and 13.)
D. Present Sword

1. This command is used to salute with the sword. It is used when the unit is presented to the colors, to any person, or when the National Anthem or “To The Colors” is played.

2. The preparatory command for this order is “Present.”

3. At the command of execution, “Sword,” raise and move the sword to the front, bringing the hilt of the sword to the center of the chin with the guard flange to the front.

4. As the sword is placed at the center of the chin, allow the flat side of the blade to extend on an angle away from the face of the holder, keeping all of the swords for all of the unit consistent and in a straight line, the thumb on the grip directly behind the guard and the remaining fingers grasping the grip firmly and the right elbow resting against the body. (See Figures 14, 15 and 16.)

Figure 15

Figure 16
E. Carry Sword from Present Sword

1. The preparatory command of “Carry” is a signal.

2. If the Color Corps is at the “Present Sword” position, at the command of execution, “Sword,” bring the sword to the “Carry Sword” position. (See Figures 17 and 18.)
F. Parade Rest

1. Parade Rest with Sword in Scabbard

a. With the sword in the scabbard, and only from a position of Attention, the commands are “Parade, Rest.”

b. At the command of execution “Rest” assume the position of “Parade Rest.” Move your left foot 10 inches to the left of your right foot, resting your weight equally on the heels and balls of both feet.

c. Maintain control of the sword with the left hand and move the right hand to the small of the back. (See Figure 19.)

Figure 19
2. Parade Rest with Drawn Sword

a. “Parade Rest” with drawn sword can only be ordered from the position of “Carry Sword.” The command is “Parade, Rest.”

b. At the command of execution “Rest,” maintain the left hand on the scabbard, move the left foot 10 inches to the left of the right foot; drop the point of the sword directly to the front, near the ground (floor), guard flange to the right, thumb along the grip. The blade should be extended at an angle. (See Figures 20 and 21.)

c. The same restrictions apply to silence and movement as prescribed for the Sir Knight drilling without sword.
G. At Ease

1. “At Ease,” with drawn sword, can only be commanded from the “Carry Sword” or “Parade Rest” positions.

2. The same restrictions apply to silence and movement as are prescribed to the Sir Knight drilling without sword.

H. Rest

1. “Rest,” with drawn sword, can only be commanded from the “Carry Sword,” “At Ease” or “Parade Rest” positions.

2. The same restrictions apply for the “Rest” position as prescribed for the Sir Knight drilling without sword.

I. Return Sword

1. This order is used to return the sword to the scabbard. It can only be ordered from the “Carry Sword” position.

2. This command is only executed at the “Halt.”

3. At the preparatory command “Return,” grasp the point of the sword with the left fingers.

4. At the command of execution, “Sword,” drop the point of the sword by turning the right hand in the most convenient manner as the design of the sword permits. At the same time grasp the scabbard near the mouth with the left hand, thumb on the mouth of the scabbard and tilt it forward. Turn the head slightly to the left, fixing the eyes on the opening of the scabbard, raise the right hand sufficiently to insert the blade of the sword and return it into the scabbard.

5. Once the sword is in the scabbard, turn the head to the front and drop the hands as in the position of “Attention.” (See Figures 22, 23, 24 and 25.)
J. Sitting While Armed with the Sword

1. Knights of Columbus should remain standing throughout their attendance in a drill. However, to prevent distractions to others behind the formation and to provide that others be able to see, it will occasionally be necessary for Knights of Columbus to be seated. This is particularly true in Church. To provide uniformity and to maintain control of the sword in the scabbard while seated, the following procedure will be utilized.

2. As you begin to be seated, grasp the upper band of the scabbard with the left hand and carry the sword and the scabbard forward and across the lap. When seated, the sword will then rest in the scabbard with the body of the scabbard at an angle across the lap with the foot of the scabbard pointed towards the right front. (See Figure 26.)

3. The Sir Knight must keep control over the scabbard to prevent the scabbard from striking the seats or pews to not be distracting.
